

## Guidelines for the Registration Process

Students should print a copy of their CARES report, see their academic advisor to discuss their class schedule, and obtain their RAC number from the advisor to be able to register. RAC numbers will **NOT** be available through the ADN office.

Schedules for the semester are located at the department's web page at [www.adn.eku.edu](http://www.adn.eku.edu) - click on the "General Information" link in the green box and look for "Section Numbers". The schedules located on EKU Direct are not the complete or most current schedule for the nursing classes.

### COMMON REGISTRATION PROBLEMS

- If a student receives a pre-requisite or test score error or a major restriction error, please call the nursing office at 859-622-1942 to have an override given for this error. Numerous attempts to re-register will not change the error message.
- NUR 112 & 116: Students must register for the NUR 112 lecture section, a corresponding NUR 112 clinical section and NUR 116 section number at the same time or you could get an A1, A2 link error.
- Students in NUR 124 and NUR 126 or NUR 232 and NUR 234 must register for lecture sections together and clinical sections numbers that are together within the "box". If the student only needs one of these courses, they must come to the office to get a "co-requisite override".
- If a student drops a course and needs to re-register for the same course (even though the CRN number is different), the student will have to wait 1-3 days for the schedule to be cleared before trying to register **OR** the student may go in person to the Registration Center (Room H) to have the schedule cleared immediately. They will **NOT** clear the schedule if you call them. The ADN Office also **cannot** clear the schedule. If you need to reregister for a course that has been dropped (and the CRN number is the same), you can also try going to the drop down box and choosing "reregister for dropped course" and then hitting submit. This sometimes will work.
- **All students must register for professional liability insurance during the fall semester.**

**There will be a mandatory orientation meeting for all NUR majors on Friday, January 8, 2010 from 9 a.m. to 2 p.m. in Wallace 149. All immunization records must be turned in by January 11, 2010.**

# NUR 112 & NUR 116

Spring, 2010

*10/27/2009-This schedule is subject to change.*
